

Dates: **18-22 January 2016**

Location: **Brindisi, Italy**

# **Senior Mission Administration and Resource Training (SMART) PROGRAMME**

---

The Senior Mission Administration and Resource Training (SMART) Programme is therefore seeking to improve the performance of managers in support functions in Missions by, using a blended training approach of combining e-learning with face-to-face workshops.

## **Course Objectives:**

The overall goal is to provide training, within the framework of the strategic objectives of the DFS Global Field Support Strategy, in order to build a pool of support managers who will be able to provide effective support to the implementation of mission mandates.

---

Target Audience:

**UN staff members (P4 and P5 level)**

Participation:

**By nomination from field missions and selection at UNHQ**
