

Member States Support Team (MSST)

Key work products

The main products include:

- Training Development
- Training –of- Trainers
- Training Recognition
- Mobile Training Support
- Other Training Support to UN Agencies, Member States and Regional Organizations

Relationship with others in DPKO/DFS and elsewhere

- MSST liaises and works closely with the Office of Military Affairs and the Police Division on cross-cutting issues on peacekeeping related issues. MSST takes part in all Operational Advisory Visit to emerging TCCs/PCCs. It also joins OMA on operational readiness inspections/visit to Regional organization. For instance, a staff from MSST was part of DPKO/DFS Team which paid a three-day working visit to AU HQ in Addis Ababa in May for operational assessment of the African Standby Force
